Raising my Hands

Blue day's over now
 it's getting dark
 all the day I tried / to get on the air
 want to share my bed, with you again
 rain outside the room, im dancing insane

I put my soul away, kicked in my head
 waiting for you to come, I don't understand
 why you don't call me up, the night is young
 then the ringing bells, I'm reaching the phone

naked by the phone, hello my love

Ref: *Call*

lonely giganti, is burning down
 lonely, I can't get, my hand on the phone
 I'm expecting you, to call me again
 but the night is old, I'm dancing insane

naked by the phone, goodbye my love
 Ref: *Call*
